

# 2009 LBNL Chemo Cap Project

## Sponsored by the LBNL Philanthropy Club

**Project Team Meetings** - 3<sup>rd</sup> Tuesday of each month - noon to 1pm  
February 17 - October 20, 2009 at Lower Cafeteria

Chemo Cap Project is a charity knitting (and crochet) project. Handmade chemo caps are needed to help cancer patients during one of the most difficult parts of their treatment. Wearing a special chemo cap can help suddenly-bald cancer patients feel like themselves again.

### Contacts and Team Leaders

Central Lab	Cynthia and Phyllis CLErnest@lbl.gov PMGale@lbl.gov
Potter Street	Norene NKJellife@lbl.gov
UCB Campus	Amy Amy_Ukena@lbl.gov
JBEI	Vangie ECPeterson@lbl.gov
JGI	Suzan and Anna SYilmaz@lbl.gov AEngelbrektson@lbl.gov

**Have questions?** Contact one of the team leaders.

**Ready to join?** Contact Cynthia to subscribe to the Chemo Cap email list and receive our introduction information packet.

### What do we do?

- Knit and crochet together at informal lunch meetings Tue and Fri, lower cafeteria. (Additional times and locations to be developed.)
- Share patterns and resources with one another
- Maintain a yarn stash available to members to use for entire projects or just special trim
- Show off our in-progress and finished work to others in the group
- Teach beginners to knit and crochet (one-on-one tutoring)
- Teach new skills and techniques to experienced members (by request)
- Collect finished caps for donation and provide tax deduction letters to members
