

Payroll: New Field for UCRP Employer Contributions on Paychecks

As a result of the *Restart of UCRP Contributions*, UCRP members will see a new field, UCRP, in the Employer Paid Benefits section of your paycheck. This field represents the new **employer contribution** into UCRP, beginning with your April 2010 earnings. This new field reflected for the first time on the following paychecks:

Bi-weekly paid employees: April 23 paycheck

Monthly paid employees: May 30 paycheck

The UCRP field will be listed twice in the Employer Paid Benefits section of your paychecks for the rest of the 2010 calendar year. One of the two UCRP fields reflects the April employer contributions only and the other UCRP field reflects the employer contributions for all subsequent pay periods. You will view this second UCRP for the first time on the following paychecks:

Bi-weekly paid employees: May 7 paycheck and ongoing

Monthly paid employees: June 1 paycheck and ongoing

Note: For those employees who attended the in-person Restart of UCRP Contribution presentation or the Webinar presentation, this is an update to the paycheck example that was referenced.
