

Demonstration of Dragon NaturallySpeaking Speech Recognition Software *- Latest Version (v11)*

Thursday, November 4th

Bldg. 2-100B

By Chris Mantani

Northern California Director of Zephyr-TEC

All LBNL employees and guests are welcome to attend and bring lunch. Light refreshments will be provided.

NOTE: Only the Windows version will be demonstrated. Mac users are encouraged to come and to check out this link for info on Dragon Dictate for Mac:

<http://www.nuance.com/for-individuals/by-product/dragon-for-mac/index.htm>

This event is sponsored by the LBNL Dragon NaturallySpeaking Interest Group (DIG). DIG meets periodically to exchange experience and tips. Anyone interested in learning about Speech Recognition Software or in sharing their experiences is welcome to attend these brown bag lunches.

For info about this event, contact Barbara Atkinson. Please RSVP to Barbara at (BAAtkinson@lbl.gov, x 7227).

For info about Speech Recognition software and training, contact Ira Janowitz at (ILJanowitz@lbl.gov, x6071).
