

BERKELEY LAB

LAWRENCE BERKELEY NATIONAL LABORATORY

In Memoriam: Jeanne E. Turturice

Jeanne was born to Evelyn and Ted McDermid on May 28, 1945 in Oakland, CA. She died peacefully in her sleep on Sunday, November 16, surrounded by her family.

Jeanne graduated from Skyline High School in June, 1963, where she became very involved in dance and performed on many occasions, including performances at the Oakland Naval Air Station and the Oakland Auditorium. Jeanne retired in 2006 from Lawrence Berkeley National Laboratory after 24 years of dedicated service.

Jeanne is survived by her loving husband of 24 years, Pete Turturice; her father, Ted; sons Jeff and Bob Thompson; and daughter-in-law, Tammy. Sadly, Jeanne's mother, Evelyn, just passed away on Thanksgiving morning after a long illness. Jeanne had one sister, Janice, who died of cancer many years ago.

Jeanne will be remembered as a warm, loving wife, mother and friend. Jeanne was a great cook and enjoyed watching many of the cooking shows. She loved to travel, especially to Italy, where she and Pete spent many happy days visiting with family and friends. Jeanne also was very active in hot rod activities and was quite proud of her own "rod," a 1929 Ford Roadster.

Friends are invited to attend services at the Celebration Christian Center, 1135 Blue Bell, Livermore, at 11 AM on Saturday December 20, 2008. Immediately following, a Celebration of Life Reception will be held at the Livermore Elks Lodge, 940 Larkspur Dr., Livermore. Hot rods are welcome and will have preferred parking.

In lieu of flowers, contributions preferred to the charity of your choice.
