### Brief description of records

These records document the work of the Human Radiation Experiments Search & Retrieval Project. They consist of the responses of the Search & Retrieval Team to information requests from the Advisory Committee on Human Radiation Experiments (ACHRE), the Department of Energy Office of Human Radiation Experiments (DOE OHRE), Freedom of Information Act (FOIA) requests, the Lawrence Berkeley Laboratory Public Information Department, and individual researchers. The responses include the original request, the written response of the team, and supporting documentation. The records are organized in subseries according to requestor: ACHRE, DOE OHRE, FOIA, LBL, and special requests by individual researchers.
